INVITATION TO PARTICIPATE IN A GREEN DEVELOPMENT MEETING, 16TH MARCH 2022

The 7th National Steering Committee (NSC) Meeting of Greening Uganda's Urbanisation and Industrialisation Project was held on Friday 28th January, 2022 at Golden Tulip Hotel. The 3-year Government of Uganda Project, which started in August 2020 is focusing on driving the urbanisation and industrialisation agenda in 6 cities of Arua, Gulu, Soroti, Jinja, Mbarara and Entebbe. It is funded by the EU with technical assistance from the Global Green Growth Institute (GGGI) and NPA is the lead Government Agency for the implementation, among others. The NSC is the overall Committee overseeing the implementation and is composed of representatives from different Government MDAs.

At the NSC Meeting, it was agreed that in the light of an enduring need for a practical awareness of the green development agenda, GGGI should organise a one-day training event to outline, at a technical level, what green development means and agree with the key MDAs on the practical steps that will lead to the achievement of genuine 'green development' in Uganda's urban and industrial spheres.

The different officers (list attached), who are members of the NSC and Technical Working Groups of Urbanisation, Industrialisation and Communication under the Project, are therefore invited for a one-day training on **Wednesday 16th March, 2022** starting at 9:00 am at **Golden Tulip Canaan Hotel, Kampala**.

For further information on the above subject, please contact milly.kemirembe@gggi.org or 0703 628 786.

INVITATION TO PARTICIPATE A WORKSHOP FOR EDITING OF INDUSTRIAL GUIDELINES

In line with Government of Uganda's Vision 2040, the National Development Plan III and the Uganda Green Growth Development Strategy (UGGDS), the Global Green Growth Institute (GGGI) partnered with the European Union (EU) as part of the EU Inclusive Green Economy Uptake Programme (Greenup), to deliver a Government of Uganda project entitled "Greening Uganda's Urbanization and Industrialization". The project will be focusing on driving the urbanisation and industrialisation agenda in 6 cities of Arua, Gulu, Soroti, Jinja, Mbarara and Entebbe and **National Planning Authority (NPA)** is coordinating this project in liaison with other actors/stakeholders.

At the 7th sitting of the National Steering Committee which took place on 28th January, 2022 at Golden Tulip it was agreed to hold an awareness meeting for all the Technical Working Group (TWG) under the industrial components. In this regard the Project is working on developing guidelines for developing Industrial Parks and Free Zones in Uganda. The first draft of the guidelines is ready and was presented to the Technical Working Group (a sub-committee of the Project's National Steering Committee) on Tuesday, 25th January, 2022 at Golden Tulip Hotel. At the meeting, the members recommended that a smaller team be set-up to consider and incorporate the recommendations made and also edit the 230-page document down to at most 60 pages; so as to make it more relevant and user friendly to the stakeholders. Members chosen are those that form the TWG from the institutions of MFPED, MTIC, NPA, UIA, UFZA, NEMA, UCPC plus one industry and park developer.

On that note, a 3-day residential workshop is planned to take place on 14th to 17th March, 2022 at Source of the Nile, Jinja. For further information on the above subject, please contact milly.kemirembe@gggi.org or 0703 628 786. Find enclosed the concept note and program for your review.

Yours sincerely,
